REVIEW OF OFFICE PERSONNEL POLICIES AND PROCEDURES MANUAL:

Deputy Director Keeley submitted to the Board Members copies of the Policy Manual for their review. After the Board has had an opportunity to review the manual it will be discussed at a later meeting.

DIRECTOR'S REPORT:

Director Miller gave the Board a list of those Candidates and Issues that have filed petitions to date for the May Primary Election, as well as the 2010 Ohio Election Calendar and the 2010 Ohio Voter Information Guide.

Judy reported on the OAEO Conference that she, Tonia Blackburn and Edna Owens attended in Columbus on January 21, 2010.

There was a presentation on Procedures for Protest Hearings. It was suggested that each County develop their own procedures for Hearings. Judy stated she would prepare procedures/policy for future Hearings. Paul Campbell added he thought Union County did a good job of putting that presentation together. Rick said it would be good to have that (policy).

Another topic discussed was Voter Residency. There is a new Supreme Court Case that has determined residency at a location is six (6) months.

Fiscal Rights of Boards of Elections, prepared by Mary Taylor-State Auditor was discussed, which outlined the parameters for requesting additional monies needed to fund Elections that were not appropriated.

Judy saw a demonstration of a new feeder tray, which prevents jams, for the Ballot on Demand printer. The cost of the tray is \$2,500 plus a maintenance fee of about .40 per ballot that is printed. Judy stated that it would be cheaper to buy additional ballots when the ballots are printed, than have to print them from the Ballot on Demand printer. Judy said this printer jammed when it was new. Rick Combs suggested writing the company a letter letting them know that it has never worked properly and we would like to work out an equitable agreement and have Judy and Mike or Mary Lynne sign it. Rick said to follow up on this matter at a later meeting.

Among the updated Election Technology demonstrated was the Electronic Poll Book which costs approximately \$1,200-\$1,500 each. We would need one for each precinct (200). The Electronic Poll Book holds all of the registered voters and would be very useful for the poll workers.

Judy said Richland County is allowed to deposit the monies they receive from the charge backs into a special equipment fund.

Rick inquired about the letter we requested from Dims, dealing with the Vote Remote software problem when it did not detect a duplicate voter. Judy saw Tim Murawski at the Conference and he had said she would receive it after the Conference. Rick suggested holding off on paying the Annual Maintenance fees until we receive the letter.

Another session was about the 2010 Census and district boundaries. She stated our precinct boundaries appear to be in good order.

There was a session on Reorganization and Judy will have more information at the February Meeting.

Overall, Judy thought this was a good Conference and had better workshops. Tonia and Edna agreed that it was informative and she asked Shaker to take that information back to the Secretary of State's Office.

Judy testified before the Grand Jury regarding the Terry Gorth Case.

DEPUTY DIRECTOR'S REPORT:

The Policy Manual was part of the Deputy Director's report.

Mike advised the Board that the office will be open 6:30 a.m. until 7:30 p.m. for the February 2, 2010 Special Election-Little Miami Local School District (we are an overlap), for any provisional voters. The Board does not need to convene that day because Warren County's Board has accepted our voters.

RESOLUTIONS: None.

NEXT MEETING DATE AND TIME:

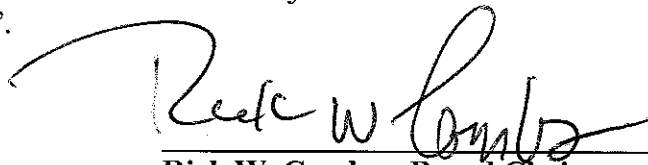

February 25, 2010 at 10:00 a.m., Regular Monthly Board Meeting, will Certify Partisan Candidate Petitions and Questions and Issues to the May 4, 2010 Primary Election Ballot.

March 3, 2010 at 2:00 p.m., Reorganization Board Meeting.

Paul Campbell inquired if there was some way to identify the absentee voter/ballot envelope to indicate that a duplicate ballot had been issued, to safeguard against the Terry Gorth problem from happening again. Judy stated we could color code the second envelope in some manner or mark it as a "second ballot sent". The Board agreed of the necessity to somehow identify that a second ballot had been issued.

2010-11 – At 3:55 p.m. Paul Campbell made the motion to adjourn. Dave Lane seconded the motion. Upon roll call, all Members voted "yes".
